**LINK TO STRATEGIC
FRAMEWORK: STUDENT, PARENT, AND COMMUNITY ENGAGEMENT**

Educators and support staff at Biscayne Elementary School are being recognized for the professionalism and care given to all students and especially to students with special needs. One example is Max Ponton, who when picked up from the bus in the morning until the time he arrives back home is cared for and taught by the best in the business according to Max's mother. She said, "Words can't describe how his teachers, bus driver staff, and therapists have touched our lives."

Max's school days begin with the welcoming smile of Ms. Ana Larios, bus driver and Ms. Theresa Howard, bus aide. These two employees are caring and professional. Max is welcomed to the bus by Ms. Howard who assists Max so he does not trip or miss a step and watches that he is appropriately secured and seated to ensure a safe trip. Once Max arrives at school, Mr. Gustavo Ortega, teacher, welcomes and comforts Max very gently. Also, paraprofessionals Ms. Maria Eva Rodriguez and Ms. Yilian Cabeza make Max feel loved and understood who at times is insecure due to Autism. Also, Ms. Shelly Jacobs, special education staff who evaluated Max is to be commended for evaluating Max before the beginning of the school year.

The School Board applauds the efforts of the educators and support staff at Biscayne Elementary School for the great job they are doing by treating all their students with love, respect and infinite commitment and dedication.
