The United States Congress established the Days of Remembrance as our nation's annual commemoration of the Holocaust and created the United States Holocaust Memorial Museum as a permanent living memorial to the victims. This year, Days of Remembrance takes place from May 1 through May 8 including the Day of Remembrance known as Yom Hashoah on May 5.

Each year, Miami-Dade County Public Schools emphasizes Holocaust education in an effort to teach children tolerance so that such crimes are not repeated against any group. Training is conducted for teachers at the University of Miami and a Holocaust Remembrance Week is held in cooperation with the Holocaust Memorial in Miami Beach.

Schools throughout the District receive an updated curriculum packet from the Department of Social Sciences and Holocaust survivors visit schools on request throughout April and May.

The Holocaust demonstrates one of the greatest lessons about individual responsibility that each of us has the choice to act or not to act, and that there are consequences to our decisions.

Remembrance obligates us not only to memorialize those who were killed, but also to reflect on what could have been done to save them. Those who survived tell us that as many faced their horrific deaths their last words were "Remember us. Tell our story."
